

CALMISPORT INTACOL is a feed supplement balanced in L-Tryptophan, Vitamin B1 and Vitamin B6, for horses with concentration difficulties while exercising or that are in stressful situations.

Composed by high bioavailable magnesium, can be useful for:

- Horses that become over-excited in competition.
- Weaning stress for mare and foal.
- Shoeing or veterinary procedures.
- Reduce transport stress in horses (while loading, unloading and travelling).
- Maintenance of normal nerve function.

Available in: **900g**

CALMISPORT INTACOL is a Mineral complementary feed for horses

ANALYTICAL CONSTITUENTS (%)
