

**HORSEBOOSTER INTACOL is a feed supplement specifically designed for competing horses. It contains magnesium, calcium and essential electrolytes, and can be used strategically prior to, during and after competitions.**

- Suitable for exercising/competing horses.
- For immediate oral supplementation.
- Assists in rehydration.
- Essential for electrolyte balance and muscle function.
- Buffered formula that prevents gastric irritation.

Available in: 30ml

## HORSEBOOSTER INTACOL is a Complementary feed for horses
